## ACTION TAKEN REPORT ON FEEDBACK

### Academic Session: 2023-24

In the academic year 2023-24, Cachar College collected feedback to gather insights from students, faculty, alumni and other stakeholders. The feedback focused on various aspects such as curriculum, teaching-learning processes, campus facilities, etc. This report summarizes the feedback received and the corresponding actions taken to address them, reflecting our commitment to continuous improvement.

Sl Nos	Suggestions	Action Taken
1	It would be great if the college can have digital notice board, and more involvement of ICT tools while taking classes.	A digital notice board has been installed at the main entrance of the administrative block.
2	There should be more availability of clean drinking water in college premises.	Five numbers of water purifiers were installed within the college premises.
3	Smart Classroom can be more improvised and requirements of classrooms	Action underway. Smart classrooms have been allocated to each department in the master routine for seamless utilization. Additionally, a committee has been constituted to identify suitable places for construction of additional classrooms.
4	Classrooms and the laboratories should be cleaned regularly.	More staffs engaged in cleaning duty.
5	There should be availability of more chemicals and equipments at the Laboratories.	Action underway.
6	More practical classes can be taken	Practical classes increased in routine.
7	More extra curriculum activities can be incorporated to make the college environment more conducive.	Different workshops, competitions, and other elocation activities organized by NCC, NSS, Women's Cell, Cultural Committee, and Yuva Tourism Club.

8	More attention can be paid in improving the students' skill in problem solving ability, thus developing employment skills and the scope that a particular subject has in the concerned job sector.	Seminar and Workshops on Competitive Exams organized by Career Counseling, Placement and Students' Progression Monitoring Cell.  Additionally, Language, Communication and Soft Skills (LCSS) Committee, Social Media and Digital Literacy Cell (SMDLC) and Committee for conduct workshop on AI have constituted to frequently organise workshop, training programme, seminar, etc. for the development of skills.
9	More number of toilets for students, especially for girls is required to be constructed. Also, cleanliness on regular basis should be maintained.	Action underway.
10	More theoretical notes may be provided.	Departments were informed to take necessary steps.
11	Hostel facilities for Boys	Proposal has been submitted to DHE, Govt of Assam for a Boys' hostel with 250 capacities.
12	Establishment of a state-of-art language lab	With the sanctioning of fund of an amount of Rs. Twenty Five lakhs under PM-USHA, the project will be initiated soon.
13	Construction of a auditorium	An auditorium with a seating capacity of approximately 300 is currently under construction.
14	There is a need for more support from teachers, particularly in supplying class notes	"PRAGATI" (Personalized Remedial, Advanced Guidance and Adaptive Teaching for Improvement), an initiative of IQAC to support the slow and advanced learners has been introduced from the session 2024-25.  Additionally, "DISHA" (Dedicated Initiative For Students' Holistic Advancement), the Mentor-Mentee Programme of Cachar College is also working in this.
