

**NOTICE**

This is for the information of TDC 3<sup>rd</sup> Semester of all streams of Cachar College that with an aim to catalyse Academic development of students, Cachar College Mentoring Programme, 2019 (**CCMP19**), was started for the academic year, 2019-20. As you know, in the Mentoring Programme, a selected teacher of a particular stream/department as Mentor serves basically as Learning Facilitator for a selected group of students of the same stream/department and takes interest in the professional and career development of each and every Mentee (student) of the selected group (Mentee Unit).

The duration of the Mentoring Programme being three (3) years for Degree Students and since the programme involves students of TDC classes only, those students who enrolled in 1<sup>st</sup> Semester in Cachar College in the academic year 2019-20 but have not yet enrolled as Mentees in 2019-20 in the Register of Mentees, maintained by their respective Mentors, are given a chance to register. As such, the concerned students are asked to contact their respective Mentors from the MENTOR-MENTEE ALLOCATION CHARTS of CCMP19, get them registered in the Register, as mentioned above and take the benefit of a Registered Mentee.
